Your first step to Financial Aid begins with FAFSA

WHAT IS FAFSA?

The Free Application for Federal Student Aid (FAFSA) is a form that can be prepared annually by current and prospective students to determine their eligibility for student financial aid.

PELL GRANT

PELL - The Federal Pell Grant Program provides need-based grants for students to assist with tuition, books and other school related costs. A student's eligibility is determined by a standard formula computed by the U.S. Department of Education. Federal PELL Grant Awards are based on family size, income assets and by actual number of clock hours attended at studentaid.gov. **The Pioneer Tech code is 011206.**

FEDERAL SUPPLEMENTAL EDUCATIONAL OPPORTUNITY GRANT (FSEOG)

The FSEOG is a grant for undergraduate students with exceptional financial need. FSEOG - To establish eligibility, the Free Application for Federal Student Aid (FAFSA) must be completed to determine the student's financial need.

COMMUNITY HEALTH FOUNDATION

This Kay County organization sponsors scholarships to PN students twice a year. The Foundation's mission is to improve the health of the citizens of Kay County through programming, education, scholarships, partnerships, and grants.

OKLAHOMA TUITION AID GRANT (OTAG)

Students must be a legal Oklahoma resident and will be asked to complete a form verifying their domicile. They must also present an unexpired state ID, usually a drivers license. Students must maintain satisfactory progress (SAP) in their program of study to receive OTAG.

WORKFORCE INVESTMENT ACT

This program provides job training and employment opportunities for economically disadvantaged, unemployed and under employed people. The program also provides retraining for certain people unemployed as a result of a plant closing or layoff. Call 580-765-3372 or go to <https://servicelink.oesc.state.ok.us/ada/>.
