

Dear PTC Supporters,

As we gather on this Giving Tuesday, I am filled with gratitude for the incredible community that surrounds Pioneer Technology Center (PTC). In the spirit of generosity and compassion, I invite you to join hands with us as we embark on a mission close to our hearts; providing scholarships to deserving students who dream of a brighter future through education.

At PTC, we believe that every student deserves the opportunity to pursue their dreams. Unfortunately, financial barriers often stand in the way of these aspirations. We aim to break down those barriers by allocating scholarships that will empower students to overcome financial obstacles and reach their full potential.

Your support can make a profound impact on the lives of these students. It's not just about funding education; it's about investing in the future of our community. With your generosity, we can nurture talent, foster ambition, and create a ripple effect that extends far beyond the walls of our institution. Together, we can be the catalyst for change, transforming lives and building a strong foundation for success.

As we open our hearts on this special day of giving, let us remember the transformative power of education. Your contribution, no matter the size, will play a vital role in shaping the future of these students. Join us in making this Giving Tuesday a day of hope, opportunity, and empowerment. Together, we can ensure that every aspiring mind has the chance to flourish and create a better life for themselves and their families.

With heartfelt gratitude,

J Berry Harrison III
