

Student Ambassadors Program

What is the Pioneer Tech Student Ambassador Program?

The Pioneer Technology Center Student Ambassador Program equips high school students in leadership and stewardship in order for them to become a welcoming branch into the PTC community. Students work alongside the Student Services & Marketing teams to showcase the opportunities available at Pioneer Tech.

What are the goals?

The goal of the Student Ambassador Program is to create a team of personable & outgoing students who are willing to show initiative, participate in campus events and serve in learning activities.

What guidelines are expected?

- 1st or 2nd year student at PTC
- Sustain a GPA of 2.5 at both high school & tech center level
- Maintain 90% attendance each semester
- Practice enthusiasm, charisma and integrity
- Attend ambassador meeting/events; dates & times known in advance
- Assist in hosting tours, career fairs and other events held by PTC.
- Participate in one community service project.
- Represent PTC with pride at all times and welcome students & public regularly.
- Display characteristics of leadership, respect, integrity, & empowerment.

What does this opportunity provide for me?

- Have a voice to the student body
- Strengthen leadership skills.
- Improve networking skills while adding resume` content for future employment/college
- Receive a graduation cord when all requirements are met
- Letter of recommendation from PTC leadership team
- T-shirt & name badge
- Photo & bio on the PTC website (Social Media spotlight once per year)
- Lunch provided during trainings & event participations
- End of year party for those who earn the required participation points

Potential PTC Student Ambassador Events:

- Back to School Night
- Sophomore Tours
- 8th Grade Tours

- Advisory Night
- 3rd Grade Tours
- PTC Foundation Dinner

- Career Fairs
- Campus Visitor Group Tours
