Introduction

The Basic Peace Officer Certification (BPOC) is made possible through a collaborative effort between the Council on Law Enforcement Education and Training (CLEET), the Oklahoma legislature, and Career Tech. The BPOC is a 16-week course that traditionally has been provided at CLEET headquarters in Ada, Oklahoma. The BPOC program identified in 70 OS 3311.16, offers additional site locations to full-time and reserve officers interested in pursuing a career in Oklahoma Law Enforcement. The BPOC is the required training for all police officers in the state of Oklahoma. CLEET is the certifying entity for the program, and PTC must maintain approved status as a BPOC site to conduct BPOC training.

The mission of the Basic Peace Officer Certification Academy at Pioneer Technology Center is to train, develop, and produce the finest law enforcement officers for the State of Oklahoma, its many jurisdictions, and political subdivisions. The accomplishment of this goal will require that all Academy cadets maintain and display the highest order of discipline, intelligence, sound and prudent judgment, decision making, and integrity.

The following rules and regulations will apply to each cadet for the duration of the Academy. The rules and regulations will provide the foundation for an effective learning environment and the discipline required in law enforcement.

Hours of Operation

Administrative Offices: Monday through Friday 08:00 – 16:00
Academy Hours: Monday through Thursday 06:30 – 17:30

Training days will begin at 06:30 hours and continue through 17:30 hours Monday through Thursday. Tardiness and absenteeism will be subject to disciplinary action. It should be anticipated that some

training days will extend well beyond 1800 hours. Cadets shall make all necessary arrangements to ensure attendance.

Assignments that are given during the Academy must be completed by the prescribed deadline. Cadets will be provided breaks at 10 minutes to the hour, or as deemed necessary by the Instructional Staff.

Lunch: 11:30 – 12:30 Instructors may deviate from this timeline as needed.

Academy Administration reserves the right to modify the Academy Schedule at any time to accommodate holidays, scheduling conflicts, or unusual circumstances. In the case of severe weather, specifically ice or snow, you will be notified via text message for information regarding the Training Schedule for that (those) day(s).

Attendance

In addition to notifications made to student leadership, each cadet incurring any absence is required to notify the academy coordinator and/or their designee, in writing, prior to the absence.

Cadets are expected to maintain an exemplary attendance record. Dependability is a required trait of a public servant. Incidents of unauthorized absence or tardiness are detrimental to the learning process and will not be tolerated. A record is kept of each incident, including the cadet's written explanation. Absences of more than five (5) hours will not be considered for curriculum remediation during the Academy in which the absence occurred, except under extraordinary, well documented, circumstances.

An absence during any skill portion is NOT considered for remediation during the Academy in which the absence occurred.

Authorized Absence

Absences, of very limited duration, due to unforeseen emergencies, illnesses, subpoenas, or other unusual circumstances **may** be approved by the Academy Coordinator or their designee. The cadet will be required to make-up any time missed during the Academy. This make up class will be completed as soon as staffing / time allows. The cadet will provide documentation for excused absences such as copies of subpoenas, doctor's statement, etc.

Absences of the type mentioned will be reviewed to determine how the cadet will be remediated, and whether make-up work will be assigned. The cadet may be required to complete makeup work during a current or future academy. Each case will be reviewed to evaluate the length of time missed, the block of instruction missed, and the impact on the Instructional Staff.

Unauthorized Absence (UA)

Unauthorized Absence (UA) is defined as any absence without prior approval of the Training Administration Staff. If a cadet is unable to report to the Academy, and prior approval for the absence

has not been granted, the cadet must personally notify either the Academy Coordinator and/or designee prior to 06:00 hours on the day of the absence. If allowed to return to the Academy, the cadet will write a report detailing the reason for the absence.

Each unauthorized absence will be reviewed to determine whether or not the cadet will/can be remediated during his Academy; whether or not make-up work will be assigned; or if disciplinary action will be taken. The cadet will be required to complete makeup work during his current Academy or a future Academy. Each case will be reviewed to evaluate the length of time missed, the block of instruction missed, and the impact on the Instructional Staff.

If a cadet requires an extension of time to complete the requirements for certification, a written petition must be submitted to the Academy Coordinator.

The following disciplinary schedules are referred to when handling absenteeism. However, any unauthorized absence may be grounds for disciplinary action, including dismissal from the Academy.

Unauthorized Absences

- 1st Occurrence UA Documented counseling session with Academy Coordinator
- 2nd Occurrence UA Written reprimand inserted into cadet's training file; notification made to the employing agency (if applicable); and documented counseling session with the Academy Coordinator.
- 3rd Occurrence UA Written reprimand inserted into cadet's training file; mandatory review Session with all Academy Administration Staff; notification made to the cadet's employing agency (if applicable); and consideration of dismissal or other disciplinary action

Tardiness

- 1st Occurrence Tardy Documented counseling session with the Academy Coordinator.
- 2nd Occurrence Tardy Written reprimand inserted into cadet's training file; notification made to the employing agency (if applicable); and documented counseling session with the Academy Coordinator
- 3rd Occurrence Tardy Written reprimand inserted into cadet's training file; mandatory review session with all Academy Administration Staff to consider dismissal or other disciplinary action; and notification made to the cadet's employing agency (if applicable).

Habitual tardiness may require make-up work during a current or future Academy, or may result in disciplinary action, including dismissal. Included in this section is late reporting to any scheduled event during the training period where a start time is clearly established.

Call-In/Late

Cadets coming upon unforeseen circumstances which they believe cause them to arrive late must contact the Academy Coordinator or designee as soon as possible. Any cadet who calls in as required but arrives 30 minutes beyond the start time for an assignment may be excluded from that class, or

may receive a level of disciplinary action in the schedule depending upon the number of occasions. Disciplinary actions, if any, will be decided by the Academy Coordinator. Disciplinary actions may include, but are not limited to, extra duties/assignments or dismissal.

Non-Call In/Non-Report

Any cadet who fails to report to class or assignment and fails to report to the Academy Coordinator within one (1) hour after the beginning of his assigned duty hours is considered absent without authorization and may be recommended for immediate termination from the program, subject to a disciplinary review by the Academy Coordinator. The Academy Staff is under no obligation to contact any cadet who fails to report.

Unauthorized Departure

A cadet's departure from any class or assignment without prior approval by the Academy Coordinator may be regarded as an "act of resignation." A disciplinary review session, to include notification of the cadet's employing agency (if applicable), will be conducted to consider a recommendation of dismissal.

Injuries or Illness

Cadets incurring an injury or illness are required to notify the class instructor immediately. The cadet must also notify the Academy Coordinator in writing the next working day. Failure to notify supervisory personnel of an injury or illness, whether or not a doctor's care is required, may result in disciplinary action.

Any cadet who is unable to participate, as a result of an injury or illness, will not be allowed to continue to participate in the Academy training program. If full recuperation or recovery from an injury extends beyond the time limits for the cadet's Academy, a recommendation may be made for re-application into a later scheduled Academy class. Each case will be reviewed and evaluated on an individual basis to ensure compliance with Oklahoma State Statutes, Oklahoma Administrative Code and Federal Law.

Prior to leaving, the cadet must provide CLEET with a written statement setting out the reasons the cadet is missing the Academy. The statement must explain the illness or injury.

When an extension of time is needed to complete the Academy, the cadet and the head of the cadet's employing agency (if applicable) must submit a written request to the Academy Coordinator. The written request must explain the reasons you should be granted an extension. The Academy Coordinator will consider the circumstances, the written requests, and the statutory time limits pertaining to the extension request. The Academy Coordinator will notify the cadet and the employing agency (if applicable), in writing, whether the extension request is granted or denied.

If the request is denied, the cadet and the head of the cadet's employing agency may appeal the decision to the Academy Administration Staff and the Executive Director of Full Time Programs. The Executive Director of Full Time Programs must receive the two appeals within ten (10) business days of the date the cadet and the cadet's employing agency received the Coordinator's written decision. The

Executive Director of Full Time Programs will consider the circumstances, written appeals, and the statutory time limits pertaining to the request. The cadet and the cadet's employing agency (if applicable) will be notified of the decision in writing.

If a cadet has left the Academy as a result of an injury or illness, the cadet will be required to supply the Academy Coordinator with a written statement from a licensed physician in order to return to the Academy. This statement must directly address the nature of the illness or injury, and specifically state that, in the physician's opinion, the cadet is physically and medically able to safely participate in academy activities – including defensive tactics, firearms and driver training.

If a cadet is transported to a hospital or emergency care facility while attending the academy, the cadet will be required to supply the Academy Coordinator with a "Medical Emergency Release Form," which must be signed by the physician who released the cadet from the hospital. If the emergency physician will not authorize the release, the cadet may be required to obtain a new release from the primary care physician.

Cadets are **required** to complete a written statement detailing the reason for their absence prior to being readmitted into the training environment.

Academy Uniforms

The Academy Uniform:

- Solid colored long or short sleeve polo shirt
- Khaki pants
- Black boots or black athletic shoes

worn if the sleeves have been removed. The only approved footwear for this training is either socks or wrestling shoes. Bare feet are not allowed for health and sanitation reasons.

- **Firearms** – Uniform Requirements: Since firearms training will expose the cadets to ambient weather conditions, the uniform may be modified at the discretion of the Firearms Training Staff. During the firearms block of training, the cadets are required to wear a hat that has a brim or a bill. The color of the hat shall not be red or orange as this color is reserved for instructors so they may be recognized. cadets are not allowed to wear any garments of any type that are red or orange in color. Personal Grooming

The cadet is expected to maintain a professional and clean appearance at all times. Uniforms will be clean and wrinkle free.

Male Cadets: Hair will be trimmed and neat. Mustaches, sideburns, beards, or goatees are not generally allowed. If the cadet can produce documentation from his department, signed by the Agency Administrator, allowing the cadet to maintain facial hair then a waiver will be granted. Otherwise, a daily facial shave is required.

Female Cadets: Hair should be of traditional color and worn in such a fashion that does not impede the wearing of any prescribed headgear. Make-up will be worn conservatively.

Jewelry (male and female cadets): It is highly suggested that wrist watches be worn. There are subjects covered in the Academy that will require the cadet to monitor the passage of time. Rings may be worn, but only one on each hand is permitted. (A wedding set is considered one ring.) Visible necklaces, earrings and other decorative jewelry are prohibited. During Defensive Tactics/Custody Control, rings or other jewelry will not be allowed on the mats.

Tattoos: All cadets with visible tattoos (regardless of size, shape, design, or location) will comply with their Agency guidelines (Policies) regarding covering the tattoo with an opaque covering. Pioneer Technology Center does not allow the display of sexually explicit or graphic/violent tattoos.

Achievement Standards

The Law Enforcement profession demands a standard of achievement that surpasses that of the academic community. The profession requires a high level of individual knowledge, ability and

skills that will serve to maintain the officer's sense of pride, proficiency, and personal safety throughout their career with their respective agency. Failure to achieve the minimum acceptable performance standards in any curriculum area will prohibit the cadet from receiving certification at the conclusion of the Academy.

Academic Grading

- Academic Grading is governed by Oklahoma Administrative Code. These guidelines are incorporated into these rules and regulations.
- The Academy requires a minimum score of 75% (per Council change in 08/2011) in the majority of the academic blocks of instruction. There are two blocks of instruction that will be tested and require 80% to pass the course. Those exceptions are First Aid and Standardized Field Sobriety Testing.
- The Final Exam, or Certification Exam, will require 80% to pass (per Council change in 08/2011).
- Any cadet who fails a specific block examination will be permitted to retake that block examination within a time frame established by CLEET. If a cadet fails the block examination a second time, the trainee's agency head may request that the trainee repeat the block of instruction and take the examination a third time.
- No cadet will be allowed to challenge the State's Certification Examination without first successfully completing all blocks of instruction.

Disqualifying events for the Certification Examination: If a cadet fails to complete any portion of any block of instruction, the cadet will not be allowed to challenge the Certification Examination until the academic block is successfully completed. Should a cadet fail the Certification Exam, s/he will be permitted to retake the examination within ten (10) business days. If a cadet fails the Certification Examination a second time, the cadet or the cadet's agency head (if applicable) must petition, in writing, the Academy Coordinator to request reenrollment into a future basic academy.

Defensive Tactics – Performance and Testing: Cadets must successfully demonstrate skills and knowledge in defensive techniques which are essential to street survival. This area of training includes, but is not limited to: ground fighting, weapons retention, wounded officer drills (evasive maneuvers), take downs, baton training, subject restraint, and hand to hand defensive strategies. In addition to passing the demonstrations, cadets must achieve a minimum score of 75% on the written examination.

Firearms Training – Performance and Testing: Firearms proficiency is a necessity for every officer's survival. The hours of training devoted to this vital aspect is intended to provide the cadet with the skills to attain the requisite proficiency. A cadet must pass the firearms qualification course with a minimum of 72% for handgun qualification and demonstrate, to the satisfaction of Instructional Staff, the mastery of: the malfunction drills, reloading drills, load and make ready, unload and clear, utilizing proper cover and concealment, tactical firearms drills, low light shooting, and cleaning skills to successfully complete the firearms training program. The Oklahoma Administrative Code sets forth specific procedures that must be followed in the event a cadet is unable to pass firearms testing. For information relating to the procedures governing firearms re-testing, see the Oklahoma Administrative Code.

Law Enforcement Driver Training – Performance and Testing: Defensive and high-performance driving skills are imperative for officer and community safety. This training is conducted by the Driver Training

Instructors and is an integral part of the program. Cadets must achieve a 75% on the written examination. The driving qualification courses must also be successfully completed.

Skills Remediation: - Retesting Procedure : O.A.C 390:15-1-13 (f)(g): (f) When a trainee fails a proficiency test in the Custody Control block or the Law Enforcement Driver Training block, the trainee will not be certified, and will be scheduled for up to two remedial training sessions at a later time. If the trainee does not successfully complete remedial training, no further testing will be allowed.

(g) If the trainee fails a proficiency test in the Firearms Block, the trainee will not be certified, and shall be required to obtain additional firearms training through his/her employing agency; such training to be conducted by a CLEET certified firearms instructor within ninety (90) calendar days of the student's original academy completion date. Upon completion of such training, the student's employing agency administrator must, within ninety (90) calendar days of the student's original academy completion date, in writing, notify the Academy Coordinator that the student is ready to be scheduled for firearms proficiency testing by PTC BPOC staff. Such testing shall be completed by allowing the student up to three (3) attempts to attain the CLEET required proficiency in firearms. If the trainee does not successfully complete additional training, no further testing will be allowed until the student has retaken the entire firearms block of instruction. The above listed remediation(s), from either (f) or (g), will be scheduled by the Academy Coordinator and written notification will be sent to the employing agency of the cadet (if applicable).

Study – Student Performance Standards: The expectations and demands of law enforcement training require total personal effort 100% of the time, both in the classroom and out. Notes are to be taken in all lectures, unless the instructor notifies the cadets otherwise.

Asking Questions: Ask questions when necessary, but stay on the subject and exercise good judgment in the privilege of inquiry. Cadets are expected to raise their hand and be recognized by the instructor prior to asking a question. Unrecognized outbursts will not be tolerated, and may result in the cadet being removed from the classroom.

Personal Conduct: As a law enforcement cadet, you are now considered a public employee. Cadets are reminded that the activities of law enforcement personnel are subject to public scrutiny and review at all times whether on or off-duty. As such, cadets should remember that these same high ethical standards likewise apply in their individual activities regardless of duty status. Any act which may bring discredit to himself, his department/agency, or this Academy may result in disciplinary action to include termination.

Cadet Expected Behavior

Expected Behavior: Violations of the following rules may result in disciplinary action, including dismissal.

- Cadets will remain awake and alert at all times in the classroom. They will occupy themselves with law enforcement business and refrain from non-related reading material or activity.

Cadets will acknowledge visitors with proper, acceptable community greetings (good morning, good afternoon, etc.) when they are passed in the hallways or when eye contact is made and a greeting is proper.

I will keep my private life unsullied as an example to all and will behave in a manner that does not bring discredit to me or to my agency. I will maintain courageous calm in the face of danger, scorn or ridicule; develop self-restraint; and be constantly mindful of the welfare of others. Honest in thought and deed both in my personal and official life, I will be exemplary in obeying the law and the regulations of my department. Whatever I see or hear of a confidential nature or that is confided to me in my official capacity will be kept ever secret unless revelation is necessary in the performance of my duty.

I will not act officiously or permit personal feelings, prejudices, political beliefs, aspirations, animosities or friendships to influence my decisions. With no compromise for crime and with relentless prosecution of criminals, I will enforce the law courteously and appropriately without fear or favor, malice or ill will, never employing unnecessary force or violence and not accepting gratuities.

I recognize the badge of my office as a symbol of public faith, and I accept it as a public trust to be held so long as I am true to the ethics of police service. I will not engage in acts of corruption or bribery, nor will I condone such acts by other police officers. I will cooperate with all legally authorized agencies and their representatives in the pursuit of justice.

I know that I alone am responsible for my own standard of professional performance and will take every reasonable opportunity to enhance and improve my level of knowledge and competence.

I will constantly strive to achieve these objectives and ideals, dedicating myself before God to my chosen profession . . . law enforcement.

BPOC Code of Ethics

- Any cadet found to have obtained his enrollment and/or employment by means of a willful misrepresentation or false statement concerning a material fact will be removed from the Academy. Police Officer Oath of Office: I, _____, do solemnly swear that I will obey and defend the Constitution of the United States of America, the Constitution and laws of the State of Oklahoma, and the ordinances of the City _____, Oklahoma. I will conduct myself in accordance with the Law Enforcement Code of Ethics.

General Provisions

It is the responsibility of the Pioneer Technology Center to insure that cadets receive every opportunity to contribute their maximum effort during the program in order to become effective Peace Officers. Likewise, it is of the utmost importance that the Staff maintains optimum channels of communication and instruction with each individual to enhance his successful entry into the field of law enforcement. The Academy main phone number is (580 718-4339). Only messages of an emergency nature will be accepted on behalf of cadets, and it is advisable to remind friends and family not to violate this order.

The Academy Coordinator may grant special permission for cellular phone in training area. The request shall be made in writing and permission will only be granted in cases of exigent circumstances.

Academy staff offices are to be entered only on official business and with permission.

Cadets who wish to communicate with Staff members should feel free to do so, but will adhere to the chain of command.

Cadets are encouraged to bring any problems which may affect them during the course of the Academy to the attention of the Academy Coordinator who will handle or refer the matter as necessary.

Cadet Discipline

Disciplinary Process: It is the intent of the Academy Staff to protect the rights of each cadet, and to adhere to a system of discipline which provides notice, fairness, equity and due process. The cadet can thereby be assured of reasonable expectations concerning this procedure.

Type of Disciplinary Offenses: The following general categories constitute, but are not limited to, ground for disciplinary action, including dismissal.

- Substandard Performance (academic, physical, driving, firearms or defensive tactics)
- Absenteeism/Habitual Tardiness
- Violations of Academy Rules or Policies
- Insubordination
- Misconduct
- Misrepresentations

Steps in Disciplinary Procedure: The following provides a fair and equitable course of progressive action that ensures a clear understanding of the remedies to unacceptable behavior. This policy is intended to enforce routine incidents, and will in no way affect Academy staff's ability to respond in cases that warrant immediate action for more serious offenses.

1. **Counseling Session:** Upon an initial offense, a cadet will be counseled by Academy Staff. The initial form of action is normally privately conducted by the cadet's Academy Coordinator,

or by a Staff Instructor on the first incident of unacceptable activity. The cadet will be asked to submit a written statement explaining his or her action. During the counseling session, the written statement will be evaluated, and if necessary, a counseling session will ensue. During this meeting the problem(s) will be identified and discussed. Recommendations will be made for corrective action, and a warning given for any future infraction. The meeting will be formally documented, and the documentation will be signed by both the counselor and the cadet.

2. **Written Reprimand:** Upon a second offense, or if the cadet has failed to properly conform personal activity/behavior to an acceptable standard, a cadet will receive a Written Reprimand. The cadet will submit a written statement explaining his or her action. Upon receipt of the cadet's written explanation, the Academy Coordinator will conduct a counseling session in order to assess the situation and evaluate the cadet's attitude and behavior. If necessary, strict instructions for improvement will be ordered; a warning of the next disciplinary step given; and a written reprimand placed to the cadet's file. The cadet's Agency Administrator will be notified if applicable.
3. **Disciplinary Notice:** Upon the third offense, or if the cadet continues to demonstrate a serious lack of ability to conform personal activity/behavior to the accepted standard of conduct required in the Academy, a disciplinary notice will be issued. The cadet will submit a written statement explaining his or her action. Upon receipt of the cadet's written explanation, a session will be held involving the Academy Coordinator, who will review the previous proceedings; generate direct orders to the cadet; and give clear warning of the impending dismissal for the next incident. The cadet's Agency Administrator will be notified, and the employing agency will be given the opportunity to attend this meeting.
4. **Termination Recommendation:** When all other disciplinary procedures have failed, or the situation violates Rules and Regulations subject to dismissal, a recommendation for termination will be issued. The cadet will submit a written statement explaining his or her action. A session will be conducted by the Academy Coordinator and Academy Administration Staff who will again review the facts and documentation concerning the case. The cadet will be afforded the opportunity to present oral or written evidence of mitigating circumstances concerning his conduct, which will be considered on its merit. A decision will then be made, after ensuring the validity of all documentation on whether to retain the cadet in question. This recommendation will be forwarded to the Executive Director of Full-Time Programs for the final decision. The cadet's Agency Administrator will be notified if applicable, and the employing agency will be given the opportunity to attend these proceedings.

Savings Clause: Nothing within this document shall be construed to limit Academy Command Staff's ability to deal seriously and expediently with an infraction of the law, rules and/or directives. The nature and degree of violation will be assessed on an individual basis to determine the necessary steps to disciplinary action or dismissal.

Instances of Extenuating Circumstances: Law enforcement cadets may be disciplined or dismissed despite technical compliance or noncompliance with the rules and regulations as outlined herein. Under this section, a law enforcement cadet may not have exceeded the rejection level in any one

category but may still be disciplined or dismissed. If, through the “compounding” of offenses, situations, low productivity, attitude, or other factors, a pattern or picture develops which leads the Academy Command Staff to reasonably believe that the individual does not possess the overall characteristics necessary of a law enforcement officer, that cadet may be subject to disciplinary action, agency notification, and dismissal.

Alcohol, Drug and Tobacco

The use or possession of any alcoholic beverage or intoxicant while on or around Pioneer Technology Center property or BPOC training sites shall be prohibited. Violations of this rule will subject the trainee to immediate dismissal.

Cadets who are taking medication(s) as prescribed by a physician shall advise the Academy Coordinator or designee as to the type of medication, the prescribing physician, and the purpose of such medication(s). All such substances shall be kept in the prescribed container(s).

The Pioneer Technology Center training facility is a tobacco free facility. Smoking and the use of any other tobacco product is restricted. For more information review the PTC Student Handbook at www.pioneertech.edu.

Fraternization Rules

Academy training requires close contact between cadets. Every cadet shall be expected and required to actively participate with fellow cadets and treat fellow cadets with respect and courtesy. Fraternalization between cadets is prohibited and will be grounds for dismissal. Fraternalization between cadets and instructional staff, to include adjunct instructors, will also be grounds for immediate dismissal.

Discrimination, Harassment and Hazing/Grievance Procedures

It is the policy of the Pioneer Technology Center to provide an equal opportunity for all enrolled students and applicants for admission. Cadets who feel they have been discriminated against, harassed, or adversely treated by Academy personnel, individuals acting on behalf of the Pioneer Technology Center, or other cadets, have the right to file a complaint to seek redress of his or her grievance. A cadet may file a complaint with the Academy Coordinator and/or the PTC Compliance Officers. For more information review the PTC Student Handbook at www.pioneertech.edu.

As law enforcement professionals, cadets must be sensitive to and tolerant of the concern’s opinions and backgrounds of others. Cadets must treat others with respect, courtesy and dignity, regardless of their circumstances or condition. Insulting, abusive, or degrading conduct, comments or statements related to race, gender, religion, sexual orientation, age, and disability are prohibited. Discrimination and harassment are also illegal and will not be tolerated by Staff or cadets. Any incidents observed by cadets of such misconduct shall be reported to the Academy Coordinator.

All cadets have the responsibility to speak up against discrimination and the right to use grievance procedures without fear of retaliation.

Inspections

The Academy Staff is allowed, at any time, to perform administrative inspections and/or searches for security and violations of Academy Policies and Procedures. All classrooms, classroom furniture and fixtures; all cadet assigned rooms, furniture and fixtures; and all facilities owned and controlled by Pioneer Technology Center are subject to inspection. It shall be understood there is no expectation of real or assumed privacy. Cadets should expect, at a minimum, weekly inspections.

Discrepancies found during an inspection will be corrected as quickly as possible, and a written report of the violation will be generated by the cadet.

Parking/Driving

Parking is available to cadets in the North and West parking's lots. Pioneer Technology Center campus has numerous students, clients, and customers accessing the facility. Please be courteous and drive slowly and carefully. The speed limit on any campus roadways or parking lots is 10 MPH or less (a speed that is reasonable and prudent).

Violations of the maximum speed-limit or vehicles being operated at a speed not reasonable or proper will subject the trainee to disciplinary action to include dismissal. This includes training in LEDT components of the course.

Violations of parking/driving rules will subject the cadet to restricted driving and parking privileges, as well as disciplinary action.

Equipment Requirements

Each cadet is required to have the following equipment for the following blocks of instruction.

Academic/Classroom Instruction

- 1 - Mechanical pencil
- 2 - Pens (black or blue ink)
- Notebook to take notes during lecture

Firearms Training

- Ear protection is required. It is recommended that the cadet use both a "muff" style hearing protector in combination with the "foam" in-ear style protection.
- Eye protection is also required. Quality sunglasses are an acceptable form of eye protection, as are prescription glasses.
- A brimmed hat or a hat with a bill. (*Refer to restricted colors elsewhere in this document.*)
- A black marker for identifying targets is also required.
- PTC will provide firearms to non-agency sponsored cadets.
- A quality law enforcement-type flashlight.

Ammunition Requirements

- Reloaded or remanufactured ammunition will not be allowed.
- Plated or copper clad bullets are also not recommended.
- Steel Core ammunition is prohibited.

Ammunition Quantities

Each student will be required to bring:

- 1000 rounds of pistol ammunition in a caliber consistent with the firearm utilized
 - Pioneer Technology Center's Bookstore may have ammunition for purchase. For non-agency sponsored cadets.

Specifications for Handgun Ammunition:

- American manufactured ammunition consistent with projectile grain weight and ballistic performance of their "duty" ammunition
- Ammunition must be loaded to SAAMI specifications (Sporting Arms and Ammunition Manufacturers Institute)
- Acceptable manufacturers: (examples) Remington, Winchester, Federal, Speer

Custody and Control / Defensive Tactics – Equipment Requirements

- Male cadets are required to have groin protection.
- Female cadets are required to have a supportive sports bra.

All cadets are required to have a duty belt, with holster, and handcuffs. PTC will provide access to duty belts, holsters, and hand cuffs for non-agency sponsored cadets. No weapons of any kind are permitted in the training area; to include, but not limited to: firearm, knife, baton, pepper spray or taser.

Wrestling shoes are strongly suggested. They will prevent some ankle/knee injuries and allow the cadet to brace, without slipping, for some techniques.

Dark colored clothing is recommended. (Refer to restricted colors elsewhere in this document.) It will prevent any modesty issues when the cadet has soaked their clothing with sweat. All such clothing must have full leg; no cut-off sleeves; and be devoid of embroidery, stenciled lettering, or any markings. (Skin tight, or extremely close fitting, clothing items are restricted from use as well.)

Computer and Technology Use

All cadets will be required to agree with the terms set forth in Pioneer Tech's Information Technology Policy, which sets forth the rules and restrictions relating to computer and technological usage while attending the Academy. Failure to comply with the terms and conditions set forth in this agreement may result in disciplinary action, including dismissal.

Unauthorized Software: There are strict federal guidelines with rigid monetary penalties for agencies and individuals who violate the software licensing laws. In order to guard against computer viruses, violation of software licensing laws and inappropriate programs, no computer programs may be added to Pioneer Tech computers without the approval of the Information Technology Manager.

Unacceptable Practices

- Knowingly accessing inappropriate materials.
- Malicious mischief of any sort.
- Use of electronic communications for advertising, selling, sending chain letters, or “spam”.
- Obtaining a password to access information without the consent of the system administrator.
- Knowingly performing an act which will interfere with the normal operation of computers, terminals, peripherals, or networks.
- Knowingly running or installing on any computer system or network, or giving to another user a program intended to damage or to place excessive load on a computer system or network. This includes but is not limited to programs known as computer viruses, Trojan horses, and worms.
- Attempting to circumvent data protection schemes or uncover security loopholes.
- Violating terms of applicable software licensing agreements or copyright laws.
- Deliberately wasting computing resources.
- Using electronic mail to threaten or harass others.

Usage Audits: Computers may periodically and randomly be checked for compliance. Cadets should not expect any privacy regarding information transmitted or received on Pioneer Technology Center computers. PTC will provide each cadet access to a Chromebook. A personal or department owned computer is allowed in the classroom for the purposes of taking notes, following the student material and special assignments by the instructor. If such device is found to be used for any purpose other than listed in above, the cadet shall be removed from class immediately and submit a written statement to the Academy Coordinator (a single violation is sufficient grounds for removal of electronic device permanently for the remainder of academy). Progressive discipline process will apply.

Daily Physical Training - PT

By the Oklahoma Council on Law Enforcement Education and Training (CLEET) proclamation each cadet will participate in at least 30 minutes of mandatory physical training each day. Participation is mandatory, and each cadet will participate fully. The purpose and scope of the Council’s proclamation is to try and mitigate the instances of injury during the Defensive Tactics/Custody and Control portion of training. The goal is to increase the cadet’s overall fitness level, as well as increase individual flexibility.

Should a cadet be unable to fully participate, every effort will be made to evaluate the situation and, if possible, modify the daily routine to briefly accommodate the reason for modification. This modification will last no longer than four days of training. If the cadet is still unable to participate in all activities at the end of the fourth day of training, the cadet will not be allowed to return to any portion of the academy without first presenting a full release from a physician back to active duty. If the reason for modification is due to an injury that occurred during training, the cadet will be required to present a physician release back to full, unrestricted, duty before being allowed to participate in any further portion of the academy. No PT will take place until the Academy Coordinator receives a physician release.
