

SELECTION & ONBOARDING

Skillful Talent 3.0

August 25, 12-1:30 pm

BYO LUNCH & LEARN

Pioneer Tech, Seminar Center East

Structured onboarding is proven to increase the likelihood that a new hire will stay an additional three years when compared to their counterparts. Ensure your company has a competitive edge by investing in closing the skill gap early on with a structured onboarding program.

WHAT YOU'LL LEARN

- ▶ Create guidelines for your selection process to identify and reduce bias
- ▶ Select the best candidate based on their skills
- ▶ Identify areas of development for new employees to inform onboarding
- ▶ Onboard your new hire and equip them with the tools and skills they need to succeed
